golf apparel and accessories for women

Hello everyone!

What an amazing year it's been so far ! I just checked and the last edition (8) was November last year and so much has happened since then..... the weeks have just flown by. So I have so much to tell you all !

There's nothing more certain than when I sit down in a quiet moment and start writing that the phone rings (as it just did – my Mum called) or I get busy with customers but I'd rather customers than quiet times!

In the past we have sent our newsletters by broadcast email but thanks to my fellow golfer Brenda Baber who maintains my website, we now have the latest format for our Vanity Fairways newsletters and updates and we'd would love to hear what you think of it. But also, please remember if/when you change your email or postal address, please let us know so we can update your details.

.In December I stood down as President of McLeod Country Golf Club after almost 6 years but just to fill-in my "spare" time I agreed to become a committee member on the Brisbane & District Ladies Golf Association and you will now see the B&D Events listed & supported more in the Vanity Fairways Calender section.

### Interested in doing your own Vanity Fairways store?

After almost 2 years of legal wrangling our Trademark application for Vanity Fairways was finally approved. It was touch and go for a while with an objection from a US based company but we finally got it all sorted which means we can now look at taking the next step which is to franchise Vanity Fairways into other states.

If you are interested at all please give us a call.

### GOLF IN SOUTH AFRICA

What an amazing place!

We travelled to Capetown in March for a wedding and stayed on to play some golf (as you do) 3 weeks in total and not long enough! We played some truly awesome golf courses and a couple of places I regret not staying another night so we could play a different course the next day.

Remember, when you travel 2 nights is really only 1 full day and not nearly long enough to take in all the sights as well as play golf all in the one day. You'd think that as I had been a travel agent in my past life that I would have learnt that lesson ....it gives us a good excuse to go back.

I am determined to put a golfing group together and when I do you will be the first to know !

Here's a couple of photos just to make you jealous !

Hand feeding a tiger cub was a highlight !

I was asked to write an article about our South Africa trip and golf experiences so keep a lookout in the next edition of the Women's Golf Australia magazine and if you want my auto-graph now before I become too famous just let me know!

### 3RD ANNUAL LEUKAEMIA FOUNDATION GOLF DAY

Thursday 27th May saw a field of 110 ladies at Brookwater Golf Club for what was a wonderful day. The weather was perfect, the course was immaculate and we raised the most ever \$5120, partly due to a generous donation from Brookwater to compensate for the lunch which left a bit to be desired.

Our perpetual trophy winner was Judy Ziebell from Ipswich , Division 1 winner was Rhonda Clarke from Brookwater, Division 2 was Cecily Boyd from McLeod and the Overall team winners were the Brookwater team of Arlene Greeff, Anita Hourigan, Rhonda Clarke & Clare Brown.

The "Bubbles Cart" driven by volunteer Joan Hunt from McLeod was extremely popular – so much so that we had to re-stock the champagne !

A Nivo outfit was won in the raffle by Robyn Howell from Helensvale and two other lucky ladies won 2x return airline tickets each compliments of our good friends at Qantaslink.

The date for next year has already been set (but not the venue) – Thursday 26th May – so if you missed out on all the fun this year then don't miss next year – you can even register now if you want – just phone or email us.

### VANITY FAIRWAYS SOCIAL GOLF CLUB (VFSGC)

Earlier this year we held a day at Boomerang Farm Golf Club in the Gold Coast Hinterland – what a hidden gem it is....a lovely 9hole course with 2 sets of tees and not a push-over course at all.....so if you ever get the chance to play here you should. We enjoyed a BBQ after the game and everyone said they'd like to go back there again.

The next VFSGC outing is later in the year and we are heading to Tenterfield Golf Club for the weekend – I've been there a few times before and always enjoy it – a stop at Vincenzos at Stanthorpe on the way to or from is an absolute must ! More on the Tenterfield Weekend in the next edition....with photos !

## BABES in the WOODS

We've held two "Babes in the Woods" golf clinics this year already with more scheduled for the warmer weather. A Beginner Group started in April and an Advanced Group started in February.

Quite a few of our original group of Babes have now joined McLeod Golf Club and are playing in weekend competitions which is just fantastic.

To have helped these "babes" become golfers and to enjoy the game as much as I do has been very gratifying & rewarding for me personally.

For more details on the "Babes in the Woods" clinics just check our website.

## SPONSORSHIPS & PARADES

A great benefit to me & my golf (sometimes) is that when I am working doing a sponsorship & parade that I get to play golf with and meet some lovely ladies.

Some of these ladies have become great friends and that to me is truly a big plus!

This year we've sponsored at Nudgee, McLeod, Oxley, Laidley, Helensvale, Ipswich, Wantima, Calliope for the CQ Championships and in the coming months we'll be at Boonah, Warwick(?), Pacific Harbour, Toowoomba, and Windaroo (got to defend the title I won last year).

I still have lots of availability in my diary so if you are having an open or invitational day and are still looking for a sponsor then please give me a call.

## VANITY FAIRWAYS CALENDAR

We launched the calendar in the last edition and asked that if you have an open, invitational day or a special event coming up at your club if you gave us the details then we would include it in the calendar for you.....no-one has sent me any info so far...please let us know.....I have lots of clients that just love playing other courses but they don't always get the information until it's too late.

## THE 19TH HOLE

That's about all our news for now – it won't be long before the warmer weather is back with us. New season gear will start arriving late July and continue with deliveries through until the new year – our website will be updated as new stock arrives – a word of advice – if you see it and like it order it because some ranges will be very limited and often the chance of re-orders just doesn't exist. We'll do our utmost to get something in for you but can't guarantee it.

The first range due to arrive will be Daily Sport followed by Greg Norman, Birdee, Cross, Nivo and Jamie Sadock....the colours & fabrics are awesome and as usual we've covered full size ranges to cater for all our clients – large or small !

We look forward to greeting you either online, on the phone, or in person either in the shop or on a golf course somewhere.

Hit em long & straight – bye for now
