

Where is the year going?!

I hope that you all had a great Christmas & New Year - what happened to our summer this year??? Many have said the weather we are experiencing now is what it used to be like years ago. It's hard to imagine that with Level 6 Water Restrictions in place when we were all praying for rain...now we've been (secretly) hoping that it stops! It's great to see everything green again and all our water hazards full - but - enough already - I want to play some golf without having to get out all the wet weather gear - we have plenty in stock by the way!!!!

Pennants and Inter-Club competition seasons have started. For the first time I will be playing weekend pennants for the McLeod Team. I must admit to being a bit nervous about match-play but looking forward to the extra challenge and hopefully benefit to my golf.

I hope you all play great golf this year!

New Season's Ranges Now In Store

In the 18months that we have been operating I have been constantly amazed at the amount of ladies golf apparel that is available. We take great pride in our variety of sizes, colours and styles to suit all of our customers. One of our biggest ranges Tchak by Lancot has undergone a name change and is now known as - Nivo. They have some fantastic colourways this year. Some of the favourite styles and fabrics from last year have been repeated this year in their "Essentials" range and they have introduced some new styles and designs with patterns and plains. Sizes are from Canadian 2 - 18 in bottoms and XS to XXL or up to 20 in tops.....so we are sure to have a style or size to suit most ladies. If it's not in stock we'll do our utmost to get it for you.

As new stock arrives it is being loaded onto our website - so keep checking www.vanityfairways.com.au to keep up to date.

Tip: If you see something you like act quickly or you could miss out!

What's Been Happening?

When I sit back and look at what we've done since the last newsletter it makes me realise just how lucky I am to be able to have my own business and still enjoy lots of activities centred around golf. I also have great help with the shop from my sister Paula and golfing friends like Cecily, Di, Lynn, Helena and Jan - if it wasn't for these ladies I wouldn't even get to play on Saturdays - let alone the odd game during the week or when I am sponsoring.

Babes In The Woods Visit ANZ Ladies Masters

At Royal Pines Resort for the Australian Ladies Masters – I am not an autograph hound but I had a book about Karrie Webb written by Phil Tresidder and I just had to get the cover signed by Karrie.

And what a weekend it was... we headed down to Radisson Palm Meadows for a round of golf on the Saturday afternoon and for some of the Babes this was an experience on its own... then we checked into Royal Pines – had a few drinks and nibbles and then headed out to a local seafood restaurant for dinner. Sunday morning saw us up bright and early for breakfast before venturing out onto the course to watch some amazing golf. Most of the Babes had never seen this calibre of golf before and were inspired & amazed and
