

Welcome to our latest newsletter – I can't believe that it's April already and just how quickly the year is flying by. Our autumn days are perfect golfing weather and I hope that you are all taking every opportunity to play some golf. I seem to be in one of those horrible "golf lows" where my short game is driving me crazy and costing me lots of shots...but it's not going to beat me.

## Out & About

Over the last month or so I have been out & about at quite a few courses sponsoring & playing (sort of)...just ask the poor ladies who have partnered me ! My excuse is that I have too much on my mind with doing a parade etc etc to worry about my golf....but that is going to change ! I have enjoyed some wonderful country hospitality at Kingaroy, Laidley and closer to home at Ipswich Golf Clubs. If you haven't booked Vanity Fairways in for an Open or Invitational Day at your club yet just give me a call or email....we still have some gaps in our calendar.

Here are a couple of "happy snaps" from those days. Thank you to the ladies for being so willing to model the new seasons gear.

*The country hospitality really came to the fore in Kingaroy!*

*The Ipswich Ladies modelling part of the new range.*

*Ipswich Div 1 Winners*

## Mystery Day Trip

Our very first Mystery Day Trip was on Monday 27th April for just \$85 everyone enjoyed a champagne breakfast on the coach on our way to our "mystery destination" which when revealed was Northlakes , we played 18holes with carts, had a lovely lunch and more champagne and after presentations boarded the coach for the drive back to Vanity Fairways. If you missed out on our first Mystery Day Trip then don't worry – we plan to do another later in the year.

## New Jamie Sadock, Daily Sports & Birdee

The new ranges are in and selling fast so if you are a fan of these ranges or just want some great new golf gear then you need to come in soon or have a look on our website and contact us via email or phone to place an order....don't forget we pack & post anywhere...just ask our ladies in Darwin, Adelaide, Melbourne, Sydney, Newcastle, Tannum Sands, Middlemount, Blackall and Perth to mention just a few!

## Vanity Fairways Social Golf Club (VFSGC)

Last year we launched the VFSGC this seemed a natural progression for our “Babes in the Woods” as the next step for them to allow them the chance to put their new-found golf skills into action, play some different courses, bring along their partners and have some fun at the same time. The VFSGC is open to anyone...not just Babes and we have about 50 members so far and we have played at Gainsborough Greens, McLeod and at Laidley GC....our next game is on Sunday 24th May at Noosa Valley Country Club....tee-off is at 10am we'll play 9holes...have lunch and then play another 9holes.....cost for golf is \$55 for 18holes....carts and lunch are extras.....if you'd like to join the VFSGC or play at Noosa Valley just phone or email for more information or to book.

*Babes keen to hit the course again*

*It's not all golf with the VFSGC!  
Enjoying dinner during the ANZ Ladies Masters Weekend away*

*Darryl & Rhonda Hall – Winners at Laidley with their magnificent new golf clubs!*

*Waiting to tee-off at Gainsborough Greens*

## Leukaemia Foundation Charity Golf Day

Last year we held our first charity day at Brookwater and 94 ladies from all around Brisbane and the Gold & Sunshine Coasts joined us for a great day of golf and fund-raising with all the proceeds going to the Leukaemia Foundation. Our 2nd Annual Charity Golf Day is being held at Brookwater on Thursday 28th May....it's a Single Stableford in Divisions 1/2/3 with Team Aggregate prizes as well. You don't have to have an official AGU to play nor do you need a team of 4 to play...we'll make up the groups if you want to come on your own.We'll have lots of on-course activities including wine tasting, chocolates, pin shots and long drives all followed by a sit-down lunch with wine and some great lunchtime entertainment. We currently have 84 booked but need and want more players so if you played last year and haven't booked yet for this year or if you'd just like to join us and have a great day of golf at the same time.....contact us as soon as possible. Forgot....the cost is \$110 per player includes buggy and lunch.....that's so cheap for Brookwater.....it's not a push-over course but I love it and by hook or by crook I will play this year instead of running around like a mad-woman possessed!

## Customer Special

Do you enjoy walking the course? Find it's getting a little tougher but like me still want to walk for the exercise value. Have you considered an MGI Motorised Buggy.....my husband talked me into one last year for my birthday (I think he was feeling guilty because he'd bought heaps of wine for his cellar)...anyway...I just love it and it's amazing how much pressure an MGI takes off your back & legs....you don't have to push or pull it and it's magic up the hills! I don't carry a stock level but I can place an order and have delivery within a couple of days.....here's a super special for VF Customers.....if you want more info and prices just give me a call.

Order any MGI Motorised Buggy by June 30<sup>th</sup> and receive a **DATREK golf bag, valued at \$269 FREE!**

(While stocks last with free delivery in Australia direct to you or to Vanity Fairways for collection).

## Babes In The Woods Update

Since launching Babes almost 2years ago we have had 12 different clinics with almost 100 Babes learning how to play golf....some have gone on to join a club and now hold official AGU Handicaps...others have joined our VFSGC and some just enjoy the clinics so much that they sign-on for nearly every one on offer....the way I've been playing maybe I should join the next one myself!

Babes now has 3 different levels...Beginners.....Intermediate.....Intermediate 2 and the clinics run every Saturday from 3-4pm for 6weeks. The next clinic will start on Saturday 9th May ....there will be a Beginners Level and if we have enough registrations we will also offer another Intermediate/Intermediate 2....so if you'd like to register please contact me as soon as possible.

## The Last Hole (not really!)

To our customers that are receiving this newsletter in the post I must apologise for the long timespan between newsletters. I do broadcast emails on a more regular basis to my electronic database. However,as you can imagine producing a hard-copy newsletter is quite expensive with production and postage so they aren't as frequent. If you do have an email address I can move you across to the electronic database if you let me know your email address...that way you will receive much more regular news from us.

I look forward to seeing many of you at Nudgee, Keperra, McLeod, Oxley, Brookwater and Wynnum over the next month or so when I am sponsoring and doing parades or when you pop into the shop for a visit.

Regards & Good Golfing
